THE CITY OF ISSAQUAH INVITES YOU to help us celebrate our walkable, bikable, transit-friendly city. In partnership with local businesses, we are hosting a campaign to encourage residents and visitors to shop, dine, and enjoy local services using alternative modes of transportation.

Why? By reducing the number of vehicle trips in our community, we mitigate the harmful effects of travel on local water resources and ecosystems that are critical to the health of our salmon populations--and the animals that rely on salmon for survival. We also realize human health and safety benefits associated with better air quality, reduced ambient noise, and calmer traffic patterns.

To learn more about the Salmon Friendly Trips campaign and other transportation improvement measures, visit issaquahwa.gov/salmonfriendlytrips, call (425) 837-3456, or email salmonfriendlytrips@issaquahwa.gov.

How to Use Your Passport...

- 1 Plan a Salmon Friendly Trip to one (or more!) participating businesses.** Use the map on the left to identify bus stops, trails, and access points that will make your journey fun and easy.
- 2 Show your passport to the participating business representative, and let them know about your Salmon Friendly travel.** The business will provide a branded sticker to verify your trip.
- 3 Place the sticker on your passport under the participating business' name.** If you run out of space, feel free to collect your stickers on other areas of the passport or on scrap paper.
- 4 Once you've collected six (6) stickers from participating businesses, you're eligible to win prizes.** Submit your entry in one of the following ways:

 **Fill out** your name and contact information below, and **mail your completed passport** to the **City of Issaquah Salmon Friendly Trips program** at 1775 12th Ave NW, Issaquah, Washington 98027.

 **Take a photo** of your completed passport and **email** the image to salmonfriendlytrips@issaquahwa.gov OR **post to your social media page** and use the hashtag **#salmonfriendlytrips**.
