Declaration of Non-Responsibility
Photo Enforcement Only

Name _____ Notice Number _____

License Plate Number _____

The registered owner of a vehicle is presumed to have operated the vehicle at the time an infraction was detected by an automated traffic safety camera unless the registered owner overcomes the presumption by a statement, under oath, in writing to the court, or in testimony before the court, that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person other than the registered owner.

If your vehicle was stolen, sold prior to the date and time of the violation or in the care, custody or control of someone else at the time of the violation, please fill out a Declaration of Non-Responsibility below.

A declaration of non-responsibility may not be used by employers/principals to transfer responsibility to their employee/agents. As a matter of law, a vehicle registered to an employer/principal that is driven by an employee/agent remains in the "care, custody, and control" of the employer/agent and thus, the employer/principal is responsible for payment of the infraction penalty. Like a parking infraction, an employee/agent may take responsibility for a traffic camera infraction by submitting payment directly to the court or by requesting a hearing in his or her name. Infractions generated by traffic cameras will not appear on any Department of Licensing driver record.

Your Declaration of Non-Responsibility must be mailed to the Issaquah Municipal Court at P.O. Box 7005 Issaquah, WA 98027-7005 on or before the due date. Mailing the declaration to any other address will delay the processing of your declaration.

I declare under penalty of perjury under the laws of the State of Washington that the information provided in this declaration is true and correct to the best of my knowledge. I received the Notice of Infraction listed above. At the time of the occurrence of the violation indicated in the Notice of Infraction, the vehicle described was:

- Sold and a copy of the seller's report is enclosed.
- Stolen and a copy of the police report is enclosed.
- In the care, custody or control of another person.
